*CLOTHING GUIDELINES

1. Clothes should be clean and odor free with no stains, missing buttons, broken zippers, or rips.
2. Skirts and pants should be safety pinned to wire hangers. No straight pins or clothespins, please.
3. All items must be priced and tagged prior to drop off. You set your own prices. **If clothing is a dollar or less, please bundle with another piece so that it is at least \$2.** Also make the price evenly divisible and that name brand/boutique items are priced slightly higher. The only accepted tag is 2-7/8" x 1-3/4" WITH STRINGS and they must be attached with a safety pin or taped to 3 sides of the tag for easy removal at checkout. If needed, contact preschool office for tags (50/\$1).
4. Use a safety pin through the string to secure the tag to the upper right side of the garment, hanger facing **left like a question mark. (?)**
5. **Before drop off, please sort all hanging items by gender and size.**

*SHOE GUIDELINES

1. Place shoes in Ziploc bags (one pair per bag) and tape tag on three sides to the OUTSIDE of the bag. Please DO NOT tape over entire tag. Size 3/4 and under will fit in a quart size bag. Over size 3/4 will fit in a galloon size bag or can be zip tied together.
2. You may also secure shoes together with a zip tie placed in the shoelace holes. Shoes placed in boxes need to be priced on the box and on the shoes itself in case they are separated from the box.
3. Only shoes in good condition please.

*TOYS AND BABY EQUIPMENT GUIDELINES

1. All toys/baby equipment should be clean and in good working order with all parts secured.
2. Small items may be grouped in clear Ziploc bags (i.e. diaper covers, small toys, etc.).
3. **Wrap large toys and puzzles with plastic wrap** or they will receive experimentation by young shoppers.
4. Only five (5) stuffed animals per consignor.
5. No items should be consigned that have been recalled or violate the Consumer Product Safety Improvement Act (states allowable lead and phthalate levels).
6. Tape tags on **ONLY THREE** sides of the tag on toys, equipment, shoe bags, etc. Please DO NOT tape over the entire tag or tape tags to clothes. **Scotch tape or wrapping paper tape only. Packing tape may damage your item. It tears books, puzzles, and boxes.**

Unsold items must be picked up on Saturday, March 17th between 3:30-4pm. Items not picked up will be donated to charity. Consignor checks will be mailed the following week. We gladly accept donations to our sale. Please bring to the office on or before March 5th.

There will be a pre-sale for consigners and volunteers only on Thursday night from 6 to 8 pm.

TAG GUIDELINES

1. On your tag, indicate your consignor number (first initial of first and last names and last four digits of your phone number), size, description, and price as noted on the example.
2. SAFETY PIN securely to the garments through the looped string. If a tag is separated from an item all efforts will be made to find that item. If unsuccessful, the item will be considered donated to Grace House Preschool and priced accordingly.
3. If you DO NOT want your items reduced for the half price sale, place an easy to read RED STAR in the UPPER RIGHT HAND CORNER of the tag. No other symbols will prevent the item from being sold at half price.
4. If you plan to **donate** your unsold items, please **highlight** your consignor number on your tag.
5. If an item loses its tag we will price it and sell it as a Grace House Preschool item. If an item is not priced or the numbers are too difficult to read, we will set a fair price for it and sell it accordingly.

EXAMPLE OF TAG:

Mark with RED STAR if you DO NOT want it to sell for 1/2 price on Sat. (dots and other symbols will be sold for 1/2 price.)

Initials of first and last name and last 4 digits of phone number. **Highlight this code if you plan to donate unsold items to charity.**

Please use a safety pin to secure the tag through the looped thread to the upper right side of the garment, hanger facing left like a question mark (?). When taping tags to toys, shoes or equipment please do not tape over the entire tag, only on three edges. Do not tape tags to clothing. Use tape that will not damage the book or puzzle.
