*CLOTHING GUIDELINES

1. Clothes should be clean and odor free with no stains, missing buttons, broken zippers, or rips.
2. No sleeveless items, bathing suits, or sundresses. T-shirts will only go on the racks if space allows.
3. Skirts and pants should be safety pinned to wire hangers. No straight pins or clothespins, please.
4. All items must be priced and tagged prior to drop off. You set your own prices. **Clothing on a hanger needs to be priced for at least \$2.00. (Items can be combined on the hanger to meet this threshold. Ex. 2 shirts)**
Also please make your prices evenly divisible (helpful for half price day) and know that name brand/boutique items can be priced slightly higher.
5. Use a safety pin through the string to secure the tag to the upper right side of the garment, hanger facing **left like a question mark (?)**.
6. **Before drop off, please sort all hanging items by gender and size.**

*SHOE GUIDELINES

1. Place shoes in Ziploc bags (one pair per bag) and tape tag on three sides to the OUTSIDE of the bag. Please DO NOT tape over entire tag or write the price on the bag.
2. Cheaper option: You may also secure shoes together with a zip tie placed in the shoelace holes. Shoes placed in boxes need to be priced on the box and on the shoes itself in case they are separated from the box.
3. Only shoes in good condition please. If the shoes are not in good condition they will not be sold.

*TOYS AND BABY EQUIPMENT GUIDELINES

1. All toys/baby equipment should be clean and in good working order with all parts secured. Baby gear such as changing tables, high chairs, car seats, boosters, pack n plays, toddler beds, gates, safety rails, etc. should be clean and in good working order.
2. **Wrap large toys and puzzles with plastic wrap** or they will receive experimentation by young shoppers.
3. Plastic wrap is cheaper than Ziplock bags and will keep your puzzle pieces intact with the puzzle.
4. No items should be consigned that have been recalled or violate the Consumer Product Safety Improvement Act (states allowable lead and phthalate levels). See this link:
<http://wemakeitsafer.com/product-recall-search>
5. Tape tags on **ONLY THREE** sides of the tag on toys, equipment, shoe bags, etc. Please DO NOT tape over the entire tag. **Scotch tape or wrapping paper tape only. Packing tape may damage your item. It tears books, puzzles, and boxes.**
6. Only 5 stuffed animals per consigner.

Unsold items must be picked up on Saturday, September 25 between 3:30-4pm. **Items not picked up will be donated to charity.** Consignor checks will be mailed within 2 weeks.

TAG GUIDELINES

1. You can use any tag; however, the bigger the better and they must be attached with a safety pin or taped to 3 sides of the tag for easy removal at checkout. Small tags will get lost and are hard to read at check out. The preschool is not selling tags for this sale.
2. On your tag, indicate your consignor number (first initial of first and last names and last four digits of your phone number), size, description, and price as noted on the example.
3. SAFETY PIN securely to the garments through the looped string. If a tag is separated from an item all efforts will be made to find that item. If unsuccessful, the item will be considered donated to Grace House Preschool and priced accordingly.
4. If you **DO NOT** want your items reduced for the half price sale, place an easy to read RED STAR in the UPPER RIGHT HAND CORNER of the tag. No other symbols will prevent the item from being sold at half price.
5. If you plan to **donate** your unsold items, please **highlight** your consignor number on your tag.
6. If an item loses its tag we will price it and sell it as a Grace House Preschool item. If an item is not priced or the numbers are too difficult to read, we will set a fair price for it and sell it accordingly.

EXAMPLE OF TAG:

	<p>Mark with RED STAR if you DO NOT want it to sell for ½ price on Sat. (dots and other symbols will be sold for ½ price.)</p> <p>Initials of first and last name and last 4 digits of phone number. Please highlight this code if you plan to donate unsold items to charity.</p> <p>Description of item (details help in matching a lost item with it's tag)</p> <p>Size</p> <p>Price (name brand clothes can be priced higher)</p>
---	--

Please use a safety pin to secure the tag through the looped thread to the upper right side of the garment, hanger facing left like a question mark (?).
